

ERSTE LIGA DISCIPLINARY COMMITTEE

The Disciplinary Committee no.2018-19/032 decree

The Disciplinary Committee investigated the Erste Liga game EL 176 (Dunaújvárosi Acélbikák – FTC-Telekom) where in the 57th minutes Brock Marcus Perrier (FTC-Telekom) penalized 5+20 minutes for rough play.

IIHF RULE 158 – ROUGHING

DEFINITION: A player who jostles or strikes at an opponent during the game.

A player involved in a brief confrontation with an opponent will be assessed a minor, double minor, or major and automatic game- misconduct penalty.

The Committee made the following conclusions:

At the 57th minutes of the game the player of the FTC-Telekom started a roughing with the opponent player. He haven't stopped the fight, even when the referees warned him, and when they physically intervened.

The players must stop the fighting, when the referee calls them for it.

The Disciplinary Committee evaluates as a huge unsportsmenlike act, when a player disobey the referees' commands or when he resists for a longer period to the referees, who want to separate the players during the fight.

Because of these the Disciplinary Committee prohibited Marcus Perrier, the FTC-Telekom player to 1 game.
