

## ERSTE LIGA DISCIPLINARY COMMITTEE

### The Disciplinary Committee no.2018-19/033 decree

The Disciplinary Committee indicate by the President of the Referees Committee, investigated the Hungarian Cup game MK 44 (MAC Újbuda - FTC-Telekom) case what happened at the 50th minutes.

The President of the Referees Committee could initiate an investigation based on the 4th section of the Erste Liga's Disciplinary Regulation, if he considers that there has been suspicion of conspicuous unsportsmenlike behaviour or irregularity, whether or not the case has been penalized.

The case that caused the procedure, when the FTC-Telekom's player, Marcus Perrier shot the puck with great force from the own defending zone. The puck almost hit the linesman.

The Disciplinary Committee determines that about the case:

On the basis of the available recordings, it's not possible to establish undoubtedly, that the player's shooting was done with the intention of hitting the linesman of the match. The FTC-Telekom player should have been aware that his team will be penalized, what has been indicated by the referee. Nevertheless the puck has been shot regularly. The referee of the game saw clearly the case, and on the record it's visible, that he indicated this to the player. The referees did not penalize on the player for the events.

The Disciplinary Committee, in accordance with the decision of the referees, does not consider the application of the suspension to be justified in the case.
