IIHF RULE 46 FIGHTING

"Fighting" is not part of international ice hockey's DNA.

A "fight" shall be deemed to have occurred when at least one (1) Player punches or attempts to punch an opponent repeatedly or when two (2) Players wrestle in such a manner as to make it difficult for the Linespersons to intervene and separate the combatants.

Any Player who persists in continuing or attempting to continue a "fight or altercation" after they have been ordered by the Referee to stop, or who resists a Linesperson in the discharge of their duties shall, at the discretion of the Referee, incur at least a Major Penalty ("Fighting") plus a Game Misconduct Penalty (5'+GMP) in addition to any additional penalties imposed.

The Committee made the following conclusions:

At the 34th minutes of the game the players of the Sport Club Csíkszereda and the FTC-Telekom got into a fight with each other.

The Disciplinary Committee, considering all the circumstances of the case, approves the penalty imposed by the referees and does not apply any further suspension to the players.
